

Under the auspices of:

European Atherosclerosis Society

International Atherosclerosis Society

June 29 - July 01 2017
Royal Olympic Hotel, Athens

SCIENTIFIC PROGRAM

Thursday, June 29th, 2017

15.00 – 15.45	Registration desk open
15.45 – 16.00	Welcome address E. Liberopoulos – K. Tziomalos <i>Coordinators of the Summer School</i>
	Welcome address C. Pitsavos <i>President of the Hellenic Atherosclerosis Society</i>
16.00 – 16.45	Clinical pharmacology of beta-blockers G. Liamis (Ioannina, Greece) Discussion with the participants on multiple choice questions
16.45 – 17.30	Clinical pharmacology of thiazide diuretics, loop diuretics and aldosterone antagonists D. Vlahakos (Athens, Greece) Discussion with the participants on multiple choice questions
17.30 – 18.15	Clinical pharmacology of calcium channel blockers V. Kotsis (Thessaloniki, Greece) Discussion with the participants on multiple choice questions
18.15 – 18.45	<i>Coffee break</i>

Under the auspices of:

European Atherosclerosis Society

International Atherosclerosis Society

June **29** - July **01** **2017**
Royal Olympic Hotel, Athens

18.45 – 19.30

Clinical pharmacology of angiotensin converting enzyme inhibitors and angiotensin receptor blockers

K. Thomopoulos (Athens, Greece)

Discussion with the participants on multiple choice questions

19.30 – 20.15:

Clinical pharmacology of second line antihypertensive agents

A. Achimastos (Athens, Greece)

Discussion with the participants on multiple choice questions

20.15 – 21.00

Clinical pharmacology of old and newer agents for the management of heart failure

C. Pitsavos (Athens, Greece)

Discussion with the participants on multiple choice questions

Friday, June 30th, 2017

09.00 – 09.45

Clinical pharmacology of statins

N. Katsiki (Thessaloniki, Greece)

Discussion with the participants on multiple choice questions

09.45 - 10.30

Clinical pharmacology of ezetimibe, colesvelam and fibrates

K. Tziomalos (Thessaloniki, Greece)

Discussion with the participants on multiple choice questions

10.30 – 11.15

Clinical pharmacology of PCSK9 inhibitors

V. Athyros (Thessaloniki, Greece)

Discussion with the participants on multiple choice questions

11.15 – 11.45

Coffee break

Under the auspices of:

European Atherosclerosis Society

International Atherosclerosis Society

June **29** - July **01** **2017**
Royal Olympic Hotel, Athens

11.45 – 12.30

Clinical pharmacology of inhibitors of COX-1 and phosphodiesterases

A. Tselepis (Ioannina, Greece)

Discussion with the participants on multiple choice questions

12.30 – 13.15

Clinical pharmacology of platelet ADP-receptor antagonists

E. Bilianou (Athens, Greece)

Discussion with the participants on multiple choice questions

13.15 – 14.00

Cardiovascular disease prevention and lifestyle interventions

R. Estruch (Barcelona, Spain)

Discussion with the participants on multiple choice questions

14.00 – 15.00

Coffee break

15.00 – 15.45

Clinical pharmacology of acenocoumarol and injectable anticoagulants

S. Tsiara (Ioannina, Greece)

Discussion with the participants on multiple choice questions

15.45 – 16.30

Clinical pharmacology of direct oral anticoagulants

C. Milionis (Ioannina, Greece)

Discussion with the participants on multiple choice questions

16.30 – 17.15

Clinical pharmacology of antidotes to anticoagulants

G. Ntaios (Larisa, Greece)

Discussion with the participants on multiple choice questions

17.15 – 17.30

Coffee break

17.30 – 18.15

Planning and organization of clinical trials

N. Nikas (Athens, Greece)

Discussion with the participants on multiple choice questions

Under the auspices of:

European Atherosclerosis Society

International Atherosclerosis Society

June 29 - July 01 2017
Royal Olympic Hotel, Athens

18.15 – 19.00

Clinical pharmacology of antiobesity agents

A. Kokkinos (Athens, Greece)

Discussion with the participants on multiple choice questions

19.00 – 19.45

What is new in antidiabetes therapy and future challenges

M. Lehrke (Germany)

Discussion with the participants on multiple choice questions

19.45 – 20.00

Hypolipidemic drug therapy: challenges and directions

M. Banach (Lodz, Poland)

Discussion with the participants on multiple choice questions

Saturday, July 1st, 2017

09.00 – 9.45

Clinical pharmacology of metformin and sulfonylureas

S. Pappas (Athens, Greece)

Discussion with the participants on multiple choice questions

09.45 – 10.30

Clinical pharmacology of DPP-4 inhibitors and pioglitazone

A. Melidonis (Athens, Greece)

Discussion with the participants on multiple choice questions

10.30 – 11.15

Clinical pharmacology of GLP-1 analogs

E. Liberopoulos (Ioannina, Greece)

Discussion with the participants on multiple choice questions

11.15 – 11.45

Coffee break

11.45 – 12.30

Clinical pharmacology of SGLT2 inhibitors

M. Elisaf (Ioannina, Greece)

Discussion with the participants on multiple choice questions

Under the auspices of:

European Atherosclerosis Society

International Atherosclerosis Society

June 29 - July 01 2017
Royal Olympic Hotel, Athens

- | | |
|---------------|--|
| 12.30 – 13.15 | Clinical pharmacology of basal insulin and basal insulin-GLP-1 analogs fixed combinations
V. Labadiari (Athens, Greece)
Discussion with the participants on multiple choice questions |
| 13.15 – 14.00 | Clinical pharmacology of prandial insulins and mixtures
G. Dimitriadis (Athens, Greece)
Discussion with the participants on multiple choice questions |
| 14.00 – 15.00 | <i>Lunch break</i> |
| 15.00 – 15.45 | Appropriate and inappropriate combinations of antidiabetic agents
S. Liatis (Athens, Greece)
Discussion with the participants on multiple choice questions |
| 15.45 – 16.30 | Clinical pharmacology of antiarrhythmic agents
P. Korantzopoulos (Athens, Greece)
Discussion with the participants on multiple choice questions |
| 16.30 – 17.15 | Clinical pharmacology of ivabradine and neprilysin inhibitors
C. Chrysohoou (Athens, Greece)
Discussion with the participants on multiple choice questions |
| 17.15 – 18.00 | Mistakes in statistical analysis in medical research
D. Panagiotakos (Athens, Greece)
Discussion with the participants on multiple choice questions |
| 18.00 – 19:00 | Excellence in Lipidology course exam |
| 19.00 | End of Summer School |
